about us

BrillantEZ Solutions is a Singapore incorporated hotel solutions provider since 2002. Over time, we have grown continuously, developing a wide base of satisfied clients. We are poised to become the leading provider of hospitality solutions in the Asia Pacific region, at the technological forefront of the solution providing process.

Making Complexity Easy
is the business of
BrillantEZ

IHMS

Full featured front office system that takes care of all the operational needs of your property.

ON PREMISE OR CLOUD HOSTED OR HYBRID

You decide! Have more control in an on-premise implementation or a faster-to-deploy cloud solution. Or simply enjoy the benefits of both in a hybrid deployment.

WORKS ON ANY DEVICE

Works on mobile devices, such as smartphones and tablets, allowing work to be done on the go, 24/7.

DYNAMIC PRICING

Maximise your revenue potential by setting rates based on predetermined occupancy levels.

ADVANCED GUEST MARKETING

Easy and powerful smart-guest messaging capability to prepare for guests before they arrive and stay in touch after they depart.

FULL DISTRIBUTION INTEGRATION

Increase occupancy and rates through real-time rate and availability integration across distribution channels.

INTERACTIVE DASHBOARDS

Interactive dashboards with real-time snapshots of what is going on and what is important.
